**Freedom of Information**  
**Sections 15 and 16 Reference Book**  
**- A Guide to the functions, records, rules and practices**  
**of the Monaghan Education Centre**  
**Updated December 2016**

This Reference Book is compiled in accordance with the Freedom of Information Acts 1997, as amended by the Freedom of Information Act 2003. All references in this manual to the Freedom of Information Act or Acts refer to the 1997 Act as amended by the 2003 Act.

The Freedom of Information (FOI) Acts, effective from 21st April 1998, establish three new statutory rights:

- A legal right for each person to access information held by public bodies;
- A legal right for each person to have official information relating to him/herself amended where it is incomplete, incorrect or misleading;
- A legal right to obtain reasons for decisions affecting oneself.

The Acts assert the right of members of the public to obtain access to official information to the greatest extent possible consistent with the public interest and the right to privacy of individuals.

## **Purpose of Reference Book**

This reference book has been prepared and published in accordance with the requirements of **Sections 15 and 16** of the FOI Acts.

**Section 15** of the Act, requires us to publish a book that facilitates access to official information held by **Monaghan Education Centre**, by outlining the **structure** and **functions** of this organisation, details of the **services** we provide and how they may be availed of, information on the **classes of records** we hold, and information on **how to make a request** to the Department under the Freedom of Information Acts, 1997 and 2003.

**Section 16** of the FOI Act requires us to publish a book containing the **rules, procedures, practices, guidelines and interpretations** used by the body, and an index of any precedents kept, for the purposes of decisions under any enactment or scheme administered by us ‘with respect to rights, privileges, benefits, obligations, penalties or other sanctions to which members of the public are or may be entitled or subject under the enactment or scheme’ together with ‘appropriate information in relation to the manner or intended manner of administration of any such enactment or scheme.’

## How to use this Reference Book

This book is divided into a number of parts.

**Part 1** of the Book - **Access to Information** - explains how to access information from us under The FOI and any fees that may arise.

**Part 2** of the Book - the “**Our Role and Structure**” - outlines the role of the **Monaghan Education Centre** and its organisational structure.

This part gives a breakdown of our internal structure and organisation. Information is provided under the following headings:

- **Role** – outlines the main work the Centre does.
- **Structure** – gives details of the Centre’s management and personnel structure.
- **Work we do** – provides a synopsis of our main activities.
- **Classes of records held** – details the categories under which the Centre hold records.
- **Contact points**– how to contact the Centre for assistance.
- **Rules and Practices** – this information is provided in accordance with Section 16 of the FOI Act as amended. Where the Centre provides any scheme impacting on the public within the meaning of Section 16 of the Act, as outlined under the heading Purpose of Reference Book earlier, then the rules and practices that the Centre uses in delivery of this scheme are outlined or referenced under the Rules and Practices heading.

## Part 1 - Access to Information

### Routinely Available Information

Regular correspondence to the school Principal and its Staff deal with the vast bulk of information needing to be communicated by the Centre to its members. Information about National Inservice Courses is routinely sent to the Chairperson of the Board of Management and Principal of the Schools concerned. Information about all upcoming Local Inservice and Professional Development Courses is posted to the Principal and Staff of all schools in the Centre's catchment area in advance of the courses being held. Updates of the Resource Library Catalogue are recorded in our annual report.

A lot of information is also available to the general public on our web site. This website is updated regularly and most questions of a general nature can be accessed there. The site also has a feedback form that is regularly used by the education community to request information about courses. It is also possible to book for courses and submit forms directly from the website.

People requiring information can make their request by writing to the Centre, by calling to the Reception Office or by telephoning, faxing or emailing the Centre.

## Applications under the FOI Act

Under the FOI Act, anyone is entitled to apply for access to information not otherwise publicly available. Each person has a right to:

- Access to records held by us not covered by one of the exemptions in the Act.
- Correction of personal information relating to oneself held by us where it is inaccurate, incomplete or misleading.
- Access to reasons for decisions made by us directly affecting oneself.

The following records come within the scope of the Act:

A week is defined in the Act to mean 5 consecutive weekdays, excluding Saturdays and public holidays (Sundays are also excluded, as they are not week days). Please note that deliveries of post to the Centre are suspended during holiday periods. These holiday periods when the Centre is closed always coincide with some or all of the holidays of the local schools. Hence the Centre will not receive your requests for information until it re-opens.

## Compiling your Application

Your application should be in writing and, if applicable, accompanied by the appropriate fee (see "fees" below). The relevant fee should be paid by Bank Draft or Postal Order, made payable to **Monaghan Education Centre**.

- ❖ You may use the form entitled 'Request for Information under the Freedom of Information Acts' which is widely available or the Monaghan Education Centre version of this form (see Appendix 1).
- ❖ If you are not using the form outlined above, then your application should indicate that the information is sought under the Freedom of Information Act 1997 and 2003.
- ❖ If you require a reply in a particular format i.e. photocopy, computer disk, etc. please mention this in your application.
- ❖ Please be as detailed and as specific as possible when compiling your application, as this will assist us in dealing with it. It can also result in lesser charges being incurred on search and retrieval in cases where these have to be paid.
- ❖ Where possible please try to indicate the time period for which you wish to access records e.g. records created between February 2006 and May 2006.
- ❖ If you have any difficulty in preparing your application Monaghan Education Centre will be happy to assist you in this regard.
- ❖ You may be required to prove your identity, especially when seeking personal information, so you may, therefore, be asked to produce your Birth Certificate, Driving Licence, Passport or other form of identity.
- ❖ Please include a daytime telephone number and or a mobile number, if possible, so that you may be contacted quickly to clarify details of your request. This will help speed up the process of finding relevant records.
- ❖ We are happy to provide assistance to members of the public who seek advice on making a request.
- ❖ We are available to provide assistance to **persons with a disability** to exercise their rights under the FOI Act (e.g. accepting oral requests from requesters who are unable to read, print and/or write due to their disability, enabling the requester to inspect or have records explained to him or her).

## FOI Decision Making in Monaghan Education Centre

- The Director of Monaghan Education Centre is the Freedom of Information Officer and the FOI Decision Maker for the Centre. Director decides on whether access to requested records should be provided.
- In the event that a request is turned down and an appeal is made against the decision then the Elected Officers of the Management Committee will conduct the internal review process. These are the Chairperson, vice-Chairperson, and Treasurer of the committee.
- The Centre will acknowledge receipt of FOI applications not later than 10 working days following their receipt and forward them to the FOI Decision Maker for decision. The Decision Maker proceeds to deal with the request, liaise with the requester as appropriate and make a decision on the matter.
- Please note that the Centre is closed for holidays at Christmas, Easter and Summer and that post deliveries to the Centre are suspended for these periods. These periods are two weeks at Christmas, one week at Easter and two weeks during the Summer.

## Rights of Review and Appeal

The Act sets out a series of exemptions to protect sensitive information where its disclosure may damage key interests of the State or of third parties. Where Monaghan Education Centre invokes these provisions to withhold information, the decision may be appealed. Decisions in relation to deferral of access, charges, forms of access, etc. may also be the subject of appeal. Details of the appeals mechanisms are as follows:

### Internal Review

You may seek internal review of the initial decision by the Decision Maker. The Officers of the Management Committee as outlined above will carry this out.

You may seek an internal review if:

- you are dissatisfied with the initial response received i.e. refusal of information, form of access, charges, etc.
- or
- you have not received a reply within 4 weeks of your initial application. This is deemed to be a refusal of your request and allows you to proceed to internal review.

Requests for internal review should be submitted in writing and, if applicable, accompanied by the appropriate fee, (see under Fees) to:

**FOI Review Committee,  
Monaghan Education Centre,  
Knockaconny,  
Armagh Road,  
Monaghan.**

The relevant fee should be paid by Bank Draft or Postal Order, made payable to Monaghan Education Centre.

- Such a request for internal review must be submitted within 4 weeks of the initial decision.
- The Centre must complete the review within 3 weeks.
- Internal review must normally be completed before an appeal may be made to the Office of the Information Commissioner.

### **Review by the Information Commissioner**

Following completion of internal review, you may seek independent review of the decision from the Information Commissioner. Also if you have not received a reply to your application for internal review within 15 working days, this is deemed to be a refusal and you may appeal the matter to the Information Commissioner.

Appeals in writing, and, if applicable, accompanied by the appropriate fee, (see under Fees below) may be made directly to the Information Commissioner at the following address:

**Office of the Information Commissioner,  
18 Lower Leeson Street,  
Dublin 2**

37. ## **Fulfilment of Remit**

**To fulfil its remit under the Education Act 1998 and to help realise its Vision, Monaghan Education Centre actively works towards:**

- Provide training, development and support for teachers and the wider school community, both in terms of meeting locally researched and identified teacher and school community needs and also through involvement in national in-service programmes.
- Be involved, as a major strategic resource within education, in a range of national and other projects, programmes and initiatives as may be decided by the Minister, following consultation and in partnership with the Centres, for implementation in the education system from time to time.
- Act as far as possible as a resource and meeting centre for the local education community and to actively promote its role.
- To plan for the development of expertise in key areas and to share such expertise throughout the Education Support Centre network and the educational system in general.
- Co-operate and engage with other Education Support Centres, full and part-time, so as to ensure that an effective network of Centres is established.
- To develop expertise in key areas as agreed by the Centres in consultation and partnership with the Department of Education and Skills and to share such throughout the Education Support Centre network and the education system in general.
- To provide other services and supports as may be requested by the Minister.

### **Masters Programmes – Cross Border**

We currently run a Masters Programme as part of our professional development/capacity building for local teachers in conjunction with the University of Ulster.

### **Reading Recovery**

We have successfully piloted the Reading Recovery project which has now been established in many other Centres throughout the country. The fact that the Monaghan project has the highest success rate, at 98.8% of all the projects run out of London has resulted from good team work between our Education Centre staff, T.E.S., the Inspectorate and the Tutor.

### **NEPS Pilot Project**

We administrated the NEPS Pilot Project for Co. Monaghan resulting in every primary student, who required psychological testing, getting this service and the appointment of several new Resource Teachers in Co. Monaghan.

### **Family School Liaison Service**

We have run a Family School Liaison Service for eight schools, Primary and Post Primary, in Monaghan town for the past seven years. This project is necessary because none of the schools serviced have been designated as disadvantaged but have large numbers of disadvantaged students attending them.

### **Counselling Supervision for Guidance Counsellors**

We piloted the establishment of a support/supervision service for Guidance Counsellors to support them with their counselling function in schools. We set up this service for the North Eastern Branch of Institute of Guidance Counsellors, which covers counties Louth, Meath, Cavan and Monaghan. This was done in consultation with Ms. Kathleen Brennan, Inspector for Guidance and Counselling, Department of Education and Skills. This service has now been extended to the rest of the country with funding by T.E.S. and we administer this national service.

### **Innovation and eLearning**

We were involved in a joint project with Blackrock Education Centre and the Central Fisher Board on environmental studies. Emer Brennan, one of our Management Committee members, was involved in the creation of pupil and teacher resources focusing on the environment of the river and the life cycle of the salmon. The materials cover part of the new curriculum in social environmental and scientific education in primary schools. The teachers using these materials were trained using **eLearning methods**.

### **The Cross Border Moving Image Project**

This highly innovative cross border project collaboration between the North Eastern Education & Library Board (NEELB) and Monaghan Education Centre will provide high-end multimedia training for students in film and music production. Nine schools from Cavan and Monaghan were selected from applications to participate with nine schools from the NEELB region of Northern Ireland. This project offered some of our students the opportunity to receive and experience multimedia training on industry standard equipment coupled with industry standard professional training.
